Independent Accountants’ Review Report

Board of Directors
Adoption Network Cleveland, Inc.

We have reviewed the accompanying financial statements of Adoption Network Cleveland, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management’s financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant’s Responsibility
Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant’s Conclusion
Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS

1. ORGANIZATION

Adoption Network Cleveland, Inc. (the Network) was incorporated under the not-for-profit laws of the State of Ohio.

The Network connects and empowers individuals, organizations, and communities impacted by adoption and foster care and provides a source of healing for those in need.

The Network accomplishes this mission by:

- Creating a safe place for those touched by adoption and foster care to pursue personal empowerment. This includes but is not limited to: adoptees, birthparents, adoptive and prospective adoptive parents, youth in foster care, foster parents, and siblings.
- Providing opportunities for peer support and education for those touched by adoption and foster care and the professionals who serve them.
- Developing and advocating for best practices in adoption practice, policy, and law.
- Creating and implementing high quality programs and services based on best practices in the field.
- Convening and leading public-private partnerships and promoting progressive system change.
- Promoting public awareness and social change regarding adoption and foster care issues throughout the broader community.
- Creating possibility through promoting openness, cooperation, and collaboration in adoption and foster care.

A description of the Network’s program services are as follows:

The Services for Family & Youth provides guidance, services, and support for prospective and current adoptive, foster, and kinship families to address the unique challenges they face, build resilience, and create lasting permanency for their children. Among the services are telephone and in-person support from the program staff, as well as monthly gatherings and workshops, a mediation program to help families reach agreements on child placements, and overall family support for transracial adoption, educational guidance, mentorship programs, and permanency navigation.

The Services for Adult Adoptees & Birthparents provides information, support, and education for all members of the adoption triad (adoptees, birthparents, adoptive parents, siblings, and others). These services include a telephone helpline, support and discussion groups across the state of Ohio, assistance in hundreds of adoptee-birth family searches, a ceremony honoring birthmothers on Mother’s Day weekend, a private Facebook group, lending library, and other support opportunities. Due to the pandemic, the ceremony honoring birthmother on Mother’s Day weekend did not take place in May 2020.
NOTES TO THE FINANCIAL STATEMENTS

1. ORGANIZATION (Continued)

   Education & Community Outreach creates a community for professional training, community education, development, and collaboration for all of those who work with and care for the adoption and foster care population. These services include adoption assessor training, a college scholars program, the Monday Evening Speaker series, and education and community resources. The in-person March 20-21, 2020 conference was postponed due to the pandemic and rescheduled in a virtual format in collaboration with Adoption Knowledge Affiliates in October 2020.

   Advocacy & Public Policy includes activities to effectuate changes in public policy governing adoption, foster care, and related child welfare in Ohio. This includes laws, agency practices, and societal attitudes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

   Revenue Recognition and Adoption of New Accounting Pronouncement

   In May 2014, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 606, Revenue from Contracts with Customers) which provides a five-step analysis of contracts to determine when and how revenue is recognized and replaces most existing revenue guidance in U.S. generally accepted accounting principles (GAAP). The core principle of the new guidance is that an entity should recognize revenue to reflect the transfer of goods and services to customers in an amount equal to the consideration the entity receives or expects to receive. ASC 606 is effective for annual reporting periods beginning after December 15, 2018, however the FASB issued Accounting Standards Update (ASU) 2020-05 in June 2020, which deferred the effective date for annual reporting periods beginning after December 31, 2019, for certain entities that had not yet issued financial statements reflecting the adoption of ASC 606 upon issuance of the ASU. The Network adopted the provisions of ASC 606 using the modified retrospective approach on October 1, 2019. The adoption of ASC 606 did not have a material impact on the Network’s financial statements, although the financial statement disclosures have changed. See Note 9 for further discussion regarding the transition method.

   The Network has also adopted ASU 2018-08, Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958), which is effective for annual periods beginning after December 15, 2018, for resource recipients. The ASU provides a more robust framework for determining whether a transaction should be accounted for as a contribution or as an exchange transaction. The ASU clarifies how a not-for-profit organization determines whether a resource provider is participating in an exchange transaction. ASU 2018-08, defines a contribution as “an unconditional transfer of cash or other assets, as well as unconditional promises to give, to an entity, or a reduction, settlement, or cancellation of its liabilities in a voluntary nonreciprocal transfer by another entity acting other than as an owner.” Thus, the transfer of assets or settlement of liabilities must be both voluntary and nonreciprocal to be a contribution. These characteristics distinguish contributions from exchange transactions, which are reciprocal transfers in which each party receives and sacrifices approximate commensurate value. Contributions are accounted for within the scope of ASC Topic 958, while exchange transactions are recognized as revenue under ASC 606 when performance obligations are satisfied.
2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition and Adoption of New Accounting Pronouncements (continued)

The Network adopted ASU 2018-08 on a modified prospective basis. Under the modified prospective basis, the Network applied ASU 2018-08 to contracts that were not completed as of October 1, 2019, and entered into after October 1, 2019. Prior-period financial information was not restated.

Revenue From Contracts with Customers

Concurrent with the adoption of ASC 606, the Network has elected to apply certain practical expedients available to nonprofit organizations with respect to disclosure requirements.

The Network’s revenue from contracts with customers consist primarily of program fees and membership dues. Revenue for these fees is reported in the statement of activities and is immaterial for the year ended September 30, 2020.

Contribution Revenue

The Network recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. At September 30, 2020, the Network had no conditional promises to give for which the conditions had not been met. All donor-restricted support that was initially a conditional contribution and for which the donor-imposed conditions and restrictions are met in the same reporting period are reported as increases in net assets without donor restrictions. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Included in contributions on the 2020 statement of activities is a $130,900 contribution. This contribution is related to a loan pursuant to the Paycheck Protection Program (the PPP Loan), a program implemented by the U.S. Small Business Administration (SBA) under the Coronavirus Aid, Relief, and Economic Security Act, from Citizens Bank, that the Network received on April 14, 2020. The principal amount of the PPP Loan is subject to forgiveness under the Paycheck Protection Program upon the Network’s request to the extent that the PPP Loan proceeds are used to pay expenses permitted by the Paycheck Protection Program. Permitted expenses include certain payroll costs, covered rent and mortgage obligations, and covered utility payments incurred by the Network. The Network intends to apply for forgiveness of the PPP Loan with respect to these covered expenses. Management considers the bank and SBA approval of forgiveness to be administrative requirements and not a barrier. To the extent that the PPP Loan is not forgiven, the Network will be required to pay interest on the PPP Loan at a rate of 1.0% per annum, and principal and interest payments will be required through the maturity date in April 2022. During the year ended September 30, 2020, the Network has recognized $130,900 of revenue upon meeting the performance requirements of the PPP Loan.
2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition and Adoption of New Accounting Pronouncement (continued)

Contribution Revenue (continued)

A portion of the Network’s revenue is derived from cost-reimbursable county grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Network has incurred expenditures in compliance with specific grant provisions. The Network received cost-reimbursable grants of up to $139,702 that have not been recognized at September 30, 2020, because qualifying expenditures have not yet been incurred.

Concentrations

A significant portion of the Network’s revenue is received from grants and contributions. For the year ending September 30, 2020, revenue from two donors amounted to approximately 30% of total revenue and support. In addition, the amount due at September 30, 2020, from those donors amounted to approximately 95% of the Network’s total receivables.

Receivables and Credit Policies

Receivables include amounts due for program service fees, grants, and contributions. These amounts are due under various payment terms and do not accrue interest.

The carrying amount of grants, contributions, and accounts receivable are reduced by a valuation allowance that reflects management’s best estimate of the amounts that will not be collected. Management individually reviews all receivable balances that exceed 90 days from invoice date and estimates the portion, if any, of the balance that will not be collected. Additionally, management estimates an allowance for the aggregate remaining receivables based on historical collectability. When a balance is deemed to be uncollectible, it is written off against the allowance for doubtful accounts. At September 30, 2020, all receivables were considered collectible and no allowance was necessary.

Cash and Cash Equivalents

The Network considers all highly liquid investments with original maturities of three months or less at the date of purchase to be cash and cash equivalents. The Network maintains its cash and cash equivalents in accounts with various financial institutions, which, at times, may exceed federally insured limits. The Network has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on its cash and cash equivalents.
NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Property and equipment are stated at cost when purchased or at fair value at the time of donation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets as follows:

- Furniture and equipment: 3 - 5 years
- Leasehold improvements: Term of lease
- Software: 5 years

Funds Held by Others

Funds held by others are valued, as a practical expedient, at the fair value of the Network’s share of the Cleveland Foundation’s investment pool as of the measurement date. The Cleveland Foundation (the Foundation) values securities and other financial instruments on a fair value basis of accounting. Realized and unrealized gains and losses and net investment income are reported in the statement of activities as the change in fair value of funds held by others. Interest and dividends are recognized as revenue in the period they are earned, and gains and losses are recognized as changes in net assets in the accounting periods in which they occur. The change in fair value of the funds held by others are reported as increases or decreases in net assets with donor restrictions, as the original gift from which the fund was created was part of the Network’s endowment.

Donated Materials and Services

During 2020, the Network received $17,913 of donated goods and services with respect to its programs. These in-kind goods and services have been recorded at fair value on the dates of contribution and are included in the statement of activities.

Functional Allocation of Expenses

The statement of activities and functional expenses report certain categories of expenses that are attributable to more than one program or supporting function. Therefore these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated includes occupancy, which is allocated on a square footage basis. All other expenses, except those relating to special events, are allocated on the basis of estimates of time and effort.

Income Taxes

The Network is an Ohio non-profit corporation exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

The Network accounts for income taxes in accordance with GAAP, which require recognition of and disclosures related to uncertain tax positions. As of and during the year ended September 30, 2020, the Network did not have a liability for unrecognized tax benefits.
2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Accounting Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with GAAP. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that were used.

Subsequent Events

Management has evaluated subsequent events through February 16, 2021, the date the financial statements were available to be issued.

3. LIQUIDITY AND AVAILABILITY OF RESOURCES

As part of the Network’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the Network invests cash in excess of daily requirements in cash equivalents. To help manage unanticipated liquidity needs, the Board of Directors is able to appropriate funds from the donor restricted funds held by others, if deemed necessary.

The Network’s financial assets available to meet cash needs for general expenditures within one year were as follows at September 30, 2020:

<table>

**Total financial assets available to meet cash needs for general expenditures within one year** $1,072,643
4. FUNDS HELD BY OTHERS

The Network established an endowment known as the Adoption Network Cleveland Endowment Fund (the Fund) and is part of the Network’s donor restricted endowment (see Note 7).

The Foundation invests the funds in equities, fixed income, and cash equivalents. Annual distributions from the Fund will be based on the fair value of the Fund. Amounts are calculated on January 1 each year. The Network can make requests to draw funds in addition to the annual distributions, such requests for additional distributions are subject to approval by a voting majority of the members of the executive committee of the Network’s Board of Directors. These investments had a value of $1,203,764 at September 30, 2020.

5. RETIREMENT PLAN

The Network maintains a non-contributory 403(b) retirement plan which provides benefits for all employees working 20 hours or more per week. The amount of the contribution is 2% of gross salaries. This contribution is made quarterly. Contributions for the year ended September 30, 2020 amounted to $11,483.

6. COMMITMENTS

Operating Leases

The Network leases equipment and office space under operating leases expiring through 2025. Minimum annual rentals are as follows:

<table>

<td><strong>$225,312</strong></td>
</tr>
</tbody>
</table>

Rent expense amounted to $50,474 for the year ended September 30, 2020.
7. ENDOWMENT

The Network’s endowment funds consist of contributions received from the Skirball Foundation, the endowment campaign, and other various donor-restricted funds for which the principal remains in perpetuity. Net income of the funds is to be used for innovative programs relating to adoption of children in Ohio, in addition to its support for and programs originating from the Adopt Cuyahoga’s Kids Initiative.

The Board of Directors has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Network classifies as net assets with donor restrictions not subject to appropriation or expenditure (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is classified as net assets with donor restrictions will be released from restrictions when those amounts are appropriated for expenditure by the Network in a manner consistent with the standard of prudence prescribed by SPMIFA.

The endowment funds are operating under the investment policy of the Network. That policy’s objective is the preservation of capital and appreciation of principal on an inflation-adjusted basis, while supporting the Network’s activities. The assets in the Fund are to be invested at the discretion of the investment manager. The Finance Committee of the Network, as authorized by the Board of Directors, is responsible for the delegation of the discretionary investment responsibility to the investment manager. The funds are invested in equities, fixed income, and cash equivalents.

From time to time, the fair value of assets associated with donor-restricted endowment funds may fall below the level that the donor or the SPMIFA requires the Network to retain as a fund of perpetual duration. These deficiencies result from unfavorable market fluctuations that occur and appropriation for certain programs deemed prudent by the Board of Directors. The Network has a policy that permits spending from underwater endowments depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulations. Underwater endowments are included in net assets with donor restrictions.

The endowment by net asset composition by fund at September 30, 2020, is as follows:

<table>

8. NET ASSETS

Net Assets with Donor Restrictions

The Network’s net assets with donor restrictions are restricted for the following purposes or periods at September 30, 2020:

Subject to expenditure or appropriation for specified purpose:

- Family Hub | $42,000
- Foster Youth & Alumni Hub | 22,570
- Professional & Stakeholder Hub | 22,381
  
  **Total** | **86,951**

Subject to the passage of time | 250,750

Subject to Network spending policy and appropriation:

Investments in perpetuity (including amounts above gift amounts of $790,509) which, once appropriated, are expendable to support: | 1,203,764

**Total net assets with donor restrictions** | **$1,541,465**

Net Assets without Donor Restrictions

The Network’s net assets without donor restrictions is comprised of undesignated net assets of $716,495 at September 30, 2020.
9. REVENUES

Disaggregation of Revenue

The Network disaggregates revenue based on the type of service provided to families. The accompanying statement of activities shows those disaggregated revenue streams for the year ended September 30, 2020. The amount recognized under ASC 606 is immaterial to the accompanying financial statements as a whole.

Modified Retrospective Transition Method

As discussed in Note 2, the Network adopted the requirements of ASC 606 as of October 1, 2019, utilizing a modified retrospective method of transition, which results in recognizing the cumulative effect of initially applying the new guidance as an adjustment to the opening balance of net assets at October 1, 2019.

As part of the adoption of ASC 606, the Network elected to use the following transition practical expedients: (1) all contract modifications that occurred prior to the date of initial application when identifying the satisfied and unsatisfied performance obligations, determining the transaction price, and allocating the transaction price have been reflected in the aggregate; and (2) ASC 606 is applied only to contracts that are not completed at the initial date of application. Because contract modifications are minimal, there is not a significant impact as a result of electing these practical expedients.

The adoption of ASC 606 did not have a significant impact on the Network’s financial position, change in its net asset, or cash flows for the year ended September 30, 2020, or to opening balance of net assets at October 1, 2019. Based on the Network’s evaluation of its contracts with customers, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under the new standard.

10. UNCERTAINTY

Subsequent to year-end, the United States and global markets experienced significant volatility in value resulting from uncertainty caused by the world-wide coronavirus pandemic. The Network is closely monitoring their investment portfolio and its liquidity and are actively working to minimize the impact of these declines. These financial statements do not include adjustments to fair value that have resulted from these potential declines.
