Advocate • Educate • Support

## Become a Member

Founded in 1988, Adoption Network Cleveland: The Ohio Family Connection is a nonprofit organization created to address gaps in services for the adoption and child welfare community through support, education, and advocacy. From the beginning, the organization has been a membership organization that includes adoptees, birth parents, prospective and current adoptive and foster parents, professionals, and anyone else connected to or with an interest in adoption, kinship, and foster care issues. We have since expanded to address the needs of individuals who are donor-conceived, experience a DNA discovery, or have other unknowns related to their genetic identity. Through our members, we can present a unified voice in our public policy efforts, create a community where multiple perspectives are shared, and more effectively raise the community's awareness about adoption, child welfare, and genetic identity topics, and how public policy impacts our community.

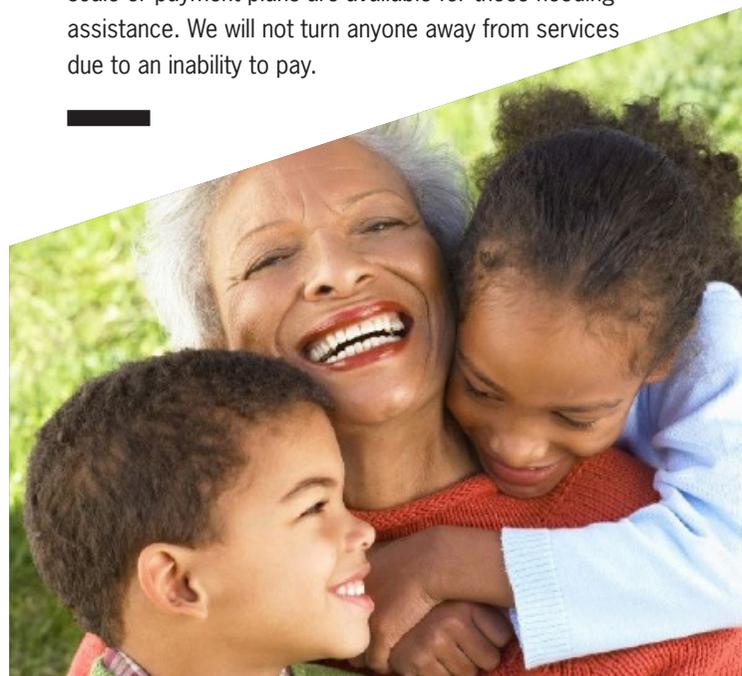

We depend on our members to give us feedback and to let us know what additional services they need. Many of our longstanding volunteers and donors started out as members who found ways to become even more connected to the mission of Adoption Network Cleveland. Please consider joining us at a level meaningful to you.

## MEMBERSHIP BENEFITS

As a part of the Adoption Network Cleveland, all membership levels receive:

- Connection to a community of caring people who understand and support you in your adoption journey, every step of the way
- Subscription to our e-newsletter, The Hub, including event information, calendar, stories, photos and information on issues
- Discounts and advanced notice on programs and events
- A voice in Ohio public policy issues affecting adoption and foster care through our political advocacy efforts
- Borrowing privileges to our Resource Library of books and movies
- Unlimited attendance at support and discussion meetings including General Discussion Meetings and Family Groups

Membership fees are fully tax-deductible as allowed by law. We recognize that not everyone may be able to purchase a membership at one of the set membership levels. Sliding-scale or payment plans are available for those needing assistance. We will not turn anyone away from services due to an inability to pay.
